

樽ねこ

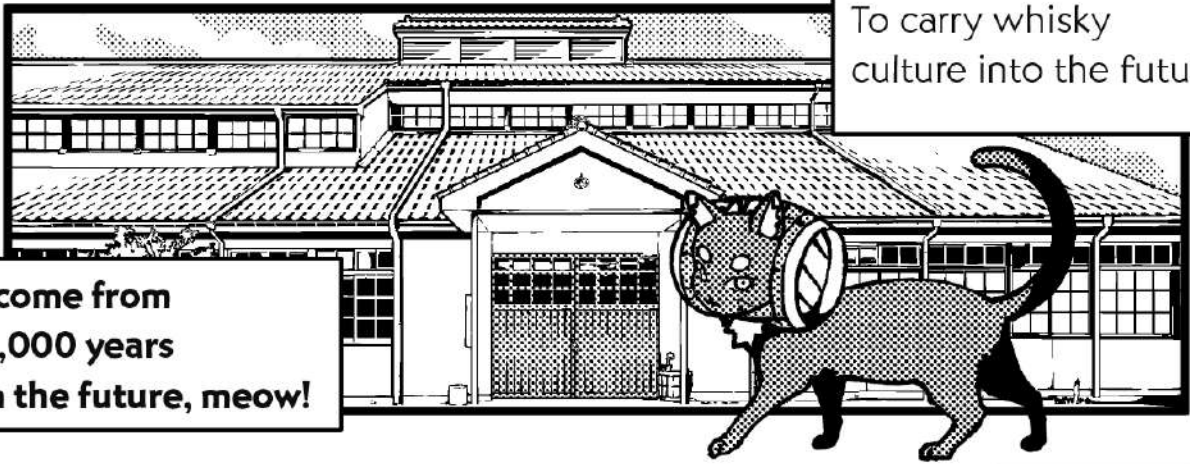

~A cat in a cask~

I am a cat.

To carry whisky culture into the future,

特別編「ウイスキーキャットと銅印帳」

I come from
1,000 years
in the future, meow!

What is this?

This is Doincho, a passport
for a journey to craft
distilleries across Japan.

*A journey through local regions of
Craft Japanese Whisky*

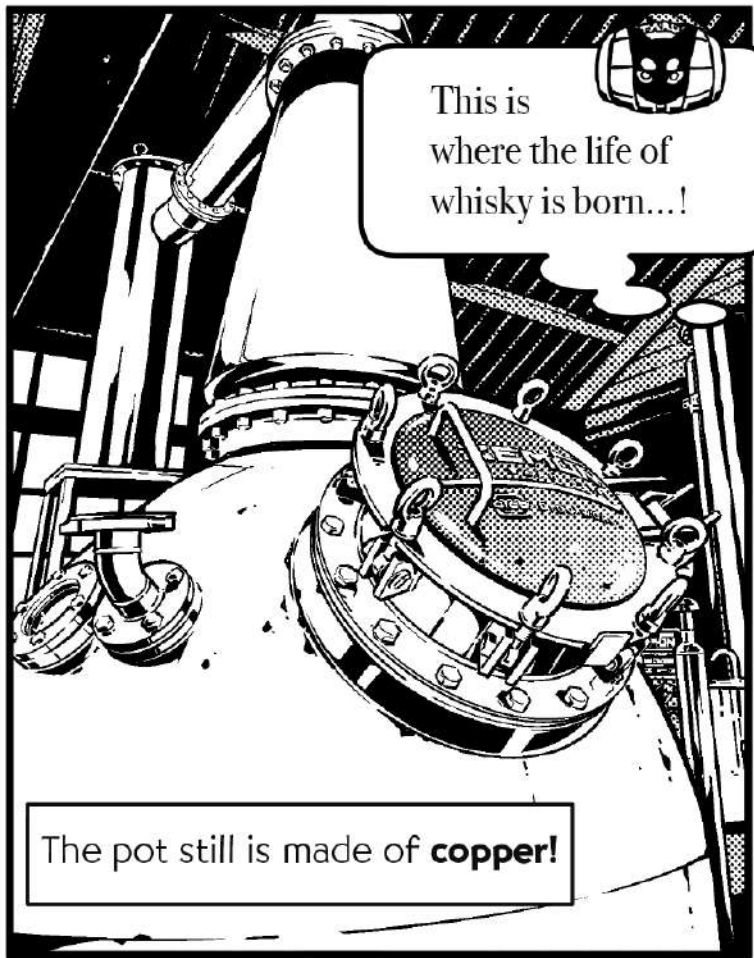

Each and every one of them has its **own story!**

There are small distilleries all over Japan.

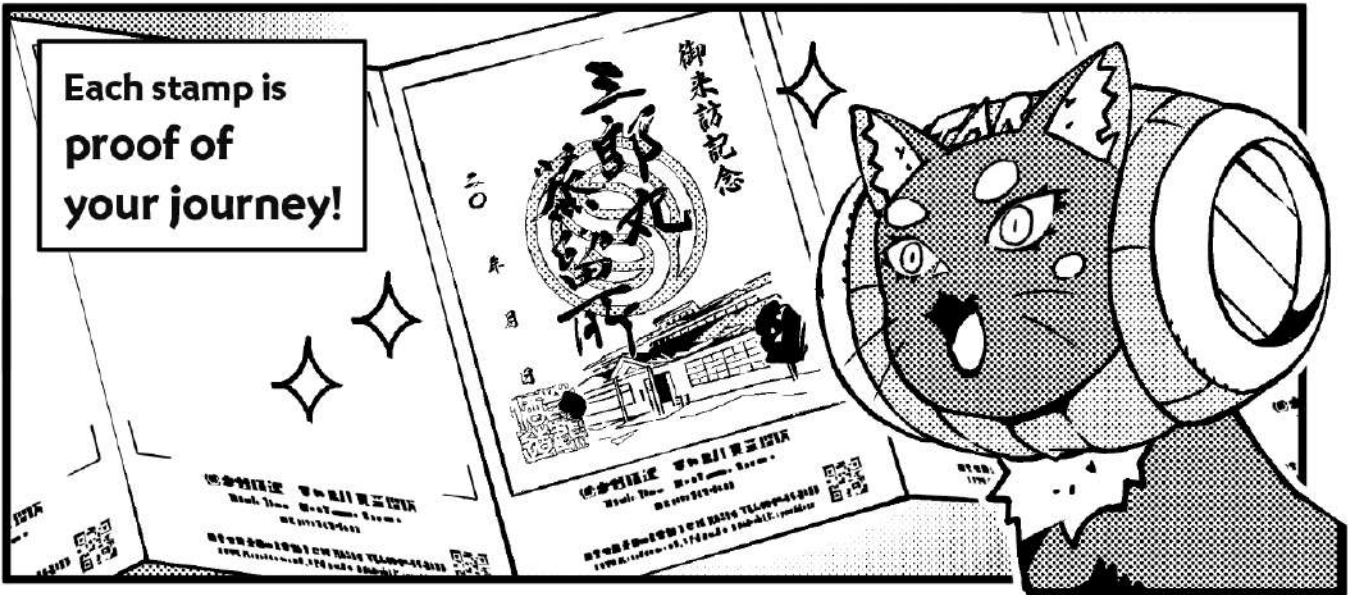

Show your Doincho and **collect Doin, distillery stamps.** 

 This is where the life of whisky is born...!

The pot still is made of **copper!**

Each stamp is proof of your journey!

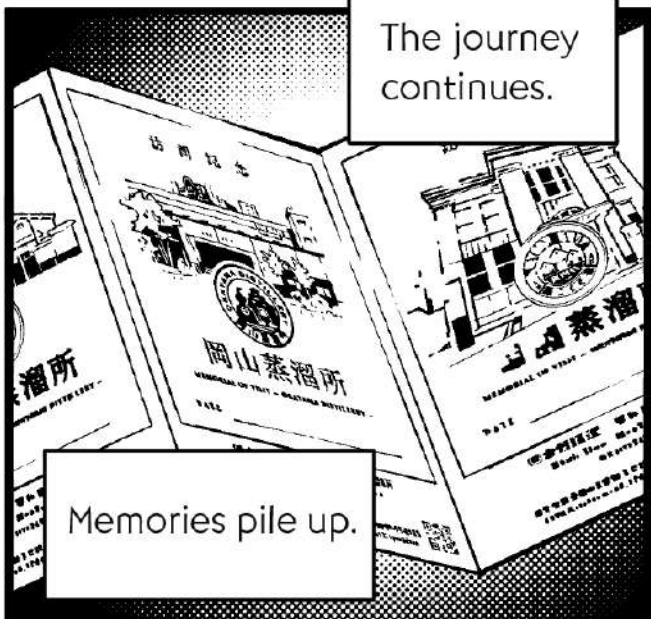

From north, to south...

Chasing the sound of the cask, meow!

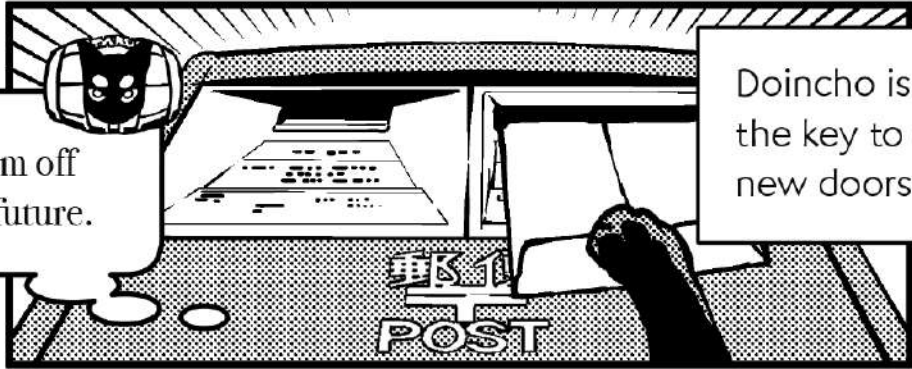

The journey continues.

Memories pile up.

Once complete, order a shipping kit from the application website.
*Check the website notes.

Send them off
into the future.

Doincho is
the key to opening
new doors.

This is your badge of
honor for the journey.

The commemorative
card has arrived!
